Flying Pies

We will be collecting money outside of Symposium on Monday and Tuesday nights starting November 1st until November 19th. Place your money in your team leader's jar and at the end of the month we will count up all of the money. The two team leaders from each symposium night with the most money wins! The 1st place team from each night gets to choose whom they want to pie, either Dr. Wang or Dean Stearman! The team with the most money chooses first. Each team member gets to throw one pie. The 2nd place teams from Monday and Tuesday night then get to pie their Team Leader. This event will be held on November 25th and 26th after symposium.
